Dear Members,

Greetings from the Head Quarter of IAPSM UPUK!!!

INDIAN ASSOCIATION OF PREVENTIVE & SOCIAL MEDICINE UPUK CHAPTER is all set to promote researchers for undertaking quality studies and thereby raising the standards of our speciality. Soft copy of the thesis submitted & applied for consideration for the Best Thesis Award will be reviewed for technical depth and significance of the research contribution, potential impact on theory and practice, and quality of presentation etc.

The evaluation of thesis will be done in two stages –

1. Primary screening &
2. Final evaluation.

Primary screening will be done by 05 members i.e., President, Vice-President, Secretary, Chief Editor of IAPSM UPUK STATE CHAPTER and a Senior Statistician from the Editorial Board of IJCH/ a Senior Statistician from the reviewers list of IJCH. These 05 members will select best 03 theses from the entire thesis received as part of consideration for the Best Thesis Award for a particular session against a set of pre-decided criteria approved by the Governing Council of IAPSM UPUK and given a score. Individual score of these 05 members will be averaged out to get a Final Score for each thesis. Top three theses getting maximum average score will be recommended for the Final Evaluation.

Final evaluation will be done by a Jury of three eminent academicians including a renowned Statistician from our speciality/ association as decided by

the Governing Council of IAPSM UPUK against the same set of pre-decided criteria used in the Primary Screening and given a score by each Jury Member. Score of the Jury members will be averaged out to get a Final Score for all the three theses and the thesis getting maximum average score be declared as the BEST THESIS. The decision of the Jury will be full and final.
